

POSITION	Social Worker (Family Consultant) Bayside / Peninsula Region	STATUS	Part time
REPORTS TO	Clinical and Program Lead Elder Services	LOCATION(S)	Bayside Peninsula region

BETTER PLACE AUSTRALIA

Better Place Australia has a vision of “An Australia where all people experience positive relationships, truly value each other and live safer, more confident lives”. As a community focused not-for-profit organisation with an ever-growing range of psychological and community support services, Better Place Australia is taking a leadership role in the provision of high-quality, effective services for a wide range of community groups across 25 locations in Victoria.

ROLE CONTEXT

Better Place Australia has been selected to provide counselling and mediation services by the Department of Families, Fairness and Housing (DFFH) through the provision of service delivery throughout the Bayside and Peninsula region of Melbourne, which includes the Port Phillip, Bayside, Kingston, Glen Eira, Frankston and Mornington Peninsula Councils.

BACKGROUND & PURPOSE OF ROLE

The Family Consultant will coordinate all client activity within the Elder Abuse Prevention Service at Better Place Australia. In doing so, the position holder will receive referrals from the local community, including, Aged Care and Community providers, family violence services inclusive of the Orange Door, Victoria Police, health and hospital networks and direct referrals from older people and their families. The position holder will undertake assessment of clients' needs and their families (if safe to do so), risk assess, and provide and coordinate mediation, counselling and financial counselling services as required and where appropriate.

This role will ensure timely provision of direct service delivery and coordination of referrals within Better Place Australia.

WORK PERFORMED

Direct Service:

- Coordinate the activities for responding to suspected or confirmed elder abuse including undertaking high level client assessment, care planning for clients, provision of counselling, acting as a consultant with older clients in mediation services, undertaking facilitated family meetings where appropriate and referring clients to services that will best meet their needs
- Identify problem-solving options and strategies and provide assistance in clarifying client issues, needs and disputes
- Coordinate all activities of the service including undertaking outcomes measurement for clients
- Completion of continuous risk assessment
- Provision of counselling services to older clients where appropriate and coordination of all referrals to other services within or external to Better Place Australia
- Provision of emotional support for older people throughout their service delivery. This will include coordinating appointments with other Practitioners such as Counsellors, Financial Counsellors, Mediators as well as external referrals. The Family Consultant will be present providing support for clients during and after mediation sessions and will coordinate required services with the family.

Community Liaison and Networking:

- Promote the Elder Abuse Prevention Service in responding to suspected or confirmed elder abuse and in so doing, liaise and network with relevant community service organisations, advocacy organisations, hospitals, aged care services, family violence services, Police, General Practitioners, law firms and other service providers as appropriate
- Respond efficiently, creatively, and in a timely manner to developments in the delivery of the Elder Abuse Prevention Service.
- Participate in promotional activities and the community education component of the program.

Program Responsibilities:

- Work in collaboration with the Clinical and Program Lead Elder Services in ensuring the objectives and outcomes of the program are met
- Be willing to reflect upon own professional and personal practice within the organisation and demonstrate integrity and honesty based on a commitment to high quality professional practice
- Maintain monthly reporting on the status of the program
- Ensure all clients outcomes are undertaken, follow up conducted and outcomes measures are undertaken with clients following case closure
- Promote teamwork through the sharing of skills and knowledge
- Participate in staff activities including but not limited to staff meetings, staff development, on-going training activities and case review
- Attend and engage in supervision sessions
- Keep records of all work undertaken including accurate and up to date case files and statistical records
- Participate in the annual Performance, Planning and Review (PPR) process.

Quality & Compliance:

- Ensure any quality risks are identified and reported promptly and that prevention strategies are implemented to ensure the safety of all clients and staff.
- Maintain a good working knowledge and understanding of the QIC Health and Community Standards.
- Pursue opportunities for quality improvement, and actively contribute to the accreditation of the service being delivered.
- Participate in regular audit processes to ensure compliance with applicable regulatory bodies is maintained.
- Contribute to the development and implementation of service manuals in accordance with contract and program requirements.
- Ensure Better Place Australia's services comply with applicable funding contracts, including reporting requirements.

Other:

- Other duties as assigned and which are consistent with the position
- Ensure compliance with Better Place Australia's Code of Conduct and related organisational policy material
- Contribute to a culture of health and safety
- Identify potential hazards and implement appropriate risk mitigation responses in so far as is reasonably practicable.
